

## Technology-Based Clinical Supervision Learning Activity Week 7

### Reflection:

This Learning Activity will require you to go back and review yourself during the 1st Week's session and compare it to yourself during the 7th week session utilizing the Quick checklist provided in the toolbox as a guide to evaluate yourself.

#### 1) Pay special attention to the following:

- a) What stands out?
- b) What is different?
- c) What could you do to improve your presence on the screen?
- d) What are your strengths?

**\*\*If you were absent during one or both of these sessions, please contact the Workwise staff at ([workwise@casat.org](mailto:workwise@casat.org)) as soon as possible to receive a new link for a different week.**
